Please note: Every effort has been made to ensure the accuracy of all the information contained on this document. However, the contractor and client who request the location, the location of building columns, utilities or other architectural elements of the building is a factor in the construction or usage of an exhibit. It is the sole responsibility of the exhibitor to photographically inspect the facility to verify all dimensions and locations.

NOTE: Shading around columns indicates a main service area to be maintained for access to electrical services.
